" Do not go where the path may lead,  
go instead where there is no path and leave a trail. ",  
*Ralph Waldo Emerson*

Dear Mr Cernan,

Your life paths are the inspiration for many boys and girls and certainly the most fantastic paths or even expeditions are those which led into the space. You left a trail here – as it is written in the quote of Ralph Waldo Emerson but you left a footprint also on the Moon!

Dear our native son, let me wish you happy birthday in the name of all the citizens of Vysoká nad Kysucou – the birthplace of your grandparents. We wish you sound health, alot of pleasure, happiness and wellbeing.

What a fantastic imagination it is for us – the citizens of Vysoká nad Kysucou, the birthplace of your grandparents – that the same man who was walking on the Moon and that in his veins „our blood runs“, walked also in the streets of our village in 1974 and 1994.

Dear Mr Cernan,

We bring froward to you our polite and sincere offer – let me invite you for a visit of our village Vysoká nad Kysucou. As long as your health condition and job duties allow you to come, we would love to welcome you in our village Vysoká nad Kysucou after 22 years to celebrate the 400th anniversary of the first written mention. This celebration will be held on 17th and 18th September 2016. We would like to give you the highest appreciation of the village „honorable citizen of the village Vysoká nad Kysucou“ as you would be the most significant guest in our village and, of course, famous descendant of our inhabitants.

In case you accept our invitation and favour us with your visit, we would arrange everything on the base of our mutual agreement and your demands.

I look forward to hearing from you soon.

Mgr. Anton Varecha  
the mayor of the village Vysoká nad Kysucou
